KARLSBAD URGES U. S. RULE

Bands of Peasants Are Massacring and Robbing Refugees in Ukraine—Families of Landowners and Nobles Flee.

Copenhagen, Dec. 19.—The Polish government has declared itself ready to conclude a military and political alliance with the entente nations, according to the Cologne Gazette.

Dispatches from Vienna to the same newspaper report that the town council of Karlsbad has asked President Wilson to recognize Karlsbad as an independent republic, under American suzerainty.

Proposes Signing of Treaty.

Washington, Dec. 19.—The Polish government has proposed that a treaty be signed by Poland, Bohemia and Jugo-Slavia, says the National Zeitung of Basle, according to a dispatch received today. Grabski, a national democrat of Poland, is the leader in the planned convention, which would include military, railway and commercial agreements, closely uniting this group of new states to the nations of the entente powers.

Poland would include all Prussian territory inhabited by Poles, who would number in the new country about 35,000,000 people. Hungary, according to the National Zeitung, which is considered pro-Austrian, desires to be included in the alliance.

Reports Ukraine Massacres.

Warsaw, Dec. 19.—Every train arriving here is bringing the families of Polish nobles, landowners and sugar manufacturers refugees from Ukraine and Lithuania, where bands of peasants are massacring and robbing. This is particularly true of Ukraine, from which place the Germans are slowly returning to their own country.

The correspondent talked with Count Roman Potocki, who was obliged to flee from his estate adjoining that of the Countess Josef Gzizki, formerly Miss E. M. Patterson of Chicago, in Volhynia. The countess left at the beginning of the war.
